Book Jacket Cover Basics

- Brodart Book Jacket Covers represent the largest variety of style formats in the industry. They also offer great convenience features like folding guides, anchor tabs, and adhesive strips.
- Brodart BJC's are designed to protect your book's cover and/or dust jacket from scratches, wear and tear, fingerprints, and moisture.
- With just three basic choices, you can locate the cover that best meets your needs.

First Choice: STYLE

Adjustable

These covers are sized to fit various book heights within your collection. For example, if you have 9"H books and 10"H books, they can both be covered with 10"H covers.

Exact Fit

These covers are designed to fit a specific book height without the need for adjustment.

Second Choice: FILM

Polyester

Chemically inert, archival-safe, and durable material will not stretch or yellow over time; recommended for circulated volumes. Available in lo-luster (to hide imperfections) and super clear (to show off new dust jackets). Available in 1.5-mil and 2-mil thicknesses.

Ideal choice for circulated books.

Polypropylene

Soft, flexible, quiet material will stretch but will not tear; recommended for non-circulating or personal collections. Available in non-reflective (to hide imperfections) or clear (to show off new dust jackets). Available in 2.5-mil thickness.

Best for home collections or non-circulated books.

Third Choice: FORMAT

Sheets

For fast, easy, convenient application, sheets are pre-cut to specific book heights and widths. Packed in acid-free shrink wrap to prevent shifting, folding, and damage. Available in packs of 25 or 100.

Rolls

For cost-effective application, rolls may be cut to length per book. Rolls are packaged in Brodart's guaranteed SafePack box with exclusive plastic supports to prevent crushed corners.

Convenience Features:

Perforated Folding Guides

Guides enable a precise fold and are spaced at 1/8" increments.

Anchoring Tabs

Self-adhesive tabs with release back liners anchor the book jacket cover to the paper backing.

Continuous Adhesive Strips

One adhesive strip with release back liner anchors the book jacket cover to the paper backing.
