Tech Tub2® Storage and Charging System
Charge, store, and secure your devices with ease

Tech Tub2®:
- Store, charge, and lock up iPads®, Chromebooks™, or a combination of both
- Ideal for schools that share devices or for 1:1 environments
- Can be placed around classroom or other spaces to ease bottlenecks

Trolleys:
- Designed for devices on the move
- Store, charge, and lock up small sets of 6-10 iPads®, Chromebooks™, and other tablets
- Adjustable handle and built-in casters ensure students from Grade 3+ can take part in managing their devices

Modular Carts:
- To encourage physical distancing, tubs unclip from carts and can be placed around the room
- Lightweight carts move effortlessly over thresholds, making it easy to share sets of devices throughout a school or library
- Tub-to-tub locking mechanism secures all devices on the cart
- For use within a single classroom, or placed in a central location where individual tubs can be signed out

UV Tech Tub®:
- Takes one minute to kill 99.9% of common hospital and classroom viruses and bacteria
- Fully enclosed disinfection chamber (no UVC exposure to user)
- Large chamber disinfects tablets, Chromebook keyboards and screens, VR headsets, headphones, robotics, and other commonly used classroom items

Ready to assemble. Premium Version ships from manufacturer; all others ship from manufacturer via truck.
