Smith System®

Oodle™ Seating and Accessories

Unique structural base, when flipped, provides ability to wiggle

- Measures 6½" H x 17" diameter
- Can be used individually or stacked
- Students choose whether to sit still or utilize the 10° multidirectional rocking motion by flipping a separate floor-facing disc
- Rotation lock keeps the stack-and-lock system securely fastened
- Includes three stool sections and one or three rocker bases
- Oodles edge is designed as a stop that engages at 10° of rocking, catching students before they lose balance
- Stools come in a single color per set; order multiple sets to mix colors
- Felt pad available separately below, is applied to the curved side of the base for use on hard floors

Ships from manufacturer.
